Solving Problems  
with Critical and  
Creative Thinking

Interpersonal  
Skills

Collaborate  
Effectively

Delivering  
Quality  
Work with  
Agility

Present with  
Purpose

## Why do we need Professional Skills?

According to a recent LinkedIn study, 57% of leaders say professional skills/soft skills are more important than hard skills. As companies increasingly need to become more dynamic, interconnected and flexible, soft skills are critical. Executives now consider these skills important to fostering employee retention, improving leadership, and building a meaningful culture.

**New Collar**

Learn advanced skills

Course duration: **1-2 hours**

**Earn IBM Digital Badge** upon  
successful completion of the Final  
Professional Skills Quiz

# *Find jobs using our Job Advisor Tool*

*A way for you to search and
