

ABA OPEN DAY 2021

Austria – Your ICT and Innovation Hub in the Heart of Europe

March 11th 2021

09.00am (CET)

Join us for our Open Day on **March 11th** and find out about the thriving ICT and innovation landscape Austria has to offer. **Meet international founders**, who already successfully set up their business in Austria and have all your questions answered by our experts.

After the regular event you will have the opportunity to network via private 1:1 meetings with our experts and other participants.

Sign up here: <https://austria-ict-and-innovation-in-europe.investinaustria.at/>
