## PROGRAM DESCRIPTION

Today's top talent doesn't want a traditional "Learning & Development program". They are searching for more than just career training, **they want to grow personally.**

Because of that, we've rebuilt traditional training from the ground up, to deliver engaging, actionable learning that helps your people become the best possible versions of themselves, so they can give their best at work.

Whether your goal it's increasing productivity, installing wellness practices, or growing revenue, we partner with you to create transformational programs for your team, so they become better, and in return; So does your business.

Mindvalley for Business is designed to help your people be their authentic selves and reach their full potential. And to help them find happiness and growth in all the areas of life that matter to each of them personally.

## AREAS OF EDUCATION

- Enhanced Productivity and Human Excellence
- Improved Focus and Increased Intelligence
- Improved Team Performance
- Immunity to Overwhelm and Stress
- Improved Employee Engagement and Retention
- Cultivate A Culture Of Accountability and Compassion
- Make Meetings Much More Effective and Productive
- Reduce Absenteeism and Eliminate Burnout
- Inspire Boundless Innovation and Creativity
- Create Stronger Leadership and Ownership
- Higher Profits Through Optimized Performance

# Our approach to execute the program (For Team Licenses)

## 1) Customized Curriculum Design

We co-create with you a customized learning curriculum that includes a sequence, timeline, and methodologies with **some key pre-selected Quests** that will become the backbone of the Mindvalley & the Int@j member's Program based on the common pillars we will choose together, categories can include **Productivity, Communication, Peak Performance, Confidence, Stress Reduction among others.**

## 2) Program Kick-Off

We start by providing access to the platform and content to all your Interns, We deliver a kick-off session for the HR team or GET Program Manager(s) and for all Interns batches, training them on how to use the platform and tips on how to maximize the content and finally We kick off with the Quests, average time: **21 to 35 days, 5-20 Mins / day.**

## 3) Debriefing, Integrate & Assess

Our Mindvalley Trainers will facilitate debriefing sessions with your participants or train you so you can deliver these sessions with your participants. As well you will receive consumption and progress reports of your employees enrolled in the courses; Which will help us to adjust, define clear next steps and certify the most engaged employees and learners!

## ONGOING MINDVALLEY SUPPORT

### Ongoing Support From Our Learning Success Team

No set of tools can replace the impact our content specialists bring to your learning journey. Before you get started on your first pilot and throughout your corporate roll-out, your personal specialist will be helping you curate a learning track that delivers the exact results you want.

They will ensure you have everything you need to deliver maximum impact as well as best practices and practical advice on how to keep your people engaged and excited about the process ahead.

Your Mindvalley Account Manager will share engagement and completion data that keeps you updated on the progress of your team -- both at the individual and group level. They'll also work hand-in-hand with you to ensure that the most relevant content is always delivered to you and your team.

## RESULTS FROM OUR CLIENTS

### → **37% Higher Revenue Growth**

Our learners develop habits that enable them to drive sales growth at a level that is truly remarkable. It's not just about employees feeling good. Using our courses on business, they leverage happiness into company success.

### → **84% Better Role Proficiency**

Our learners become more proficient in their leadership roles inside their company. They quickly take mentoring and turn it into improved job performance. Using our entire suite of courses, they level up their lives in remarkable ways.

### → **87% Higher Employee Retention**

Our learners stick around. They aren't likely to jump to the next opportunity at the first sign of conflict. They value what they do and those they do it with. Using our courses on collaboration, they develop into an awesome team

### → **31% More Productive Teams**

Our learners consistently get more things done than their peers. By focusing on what matters and removing distractions, they achieve better outcomes in less time. Using our courses on productivity, they fully utilize the power of momentum.
