

FIME

By Informa Markets

The U.S. Commercial Service at the U.S. Embassy in Jordan encourages hospital administrators, product developers, manufacturers, and distributors of products for medical labs and diagnostic research to attend the Florida International Medical Expo (FIME) 2023, the largest trade show for the medical device and equipment industry in the Americas!

Show Highlights:

FIME 2023 is the 32nd edition of the tradeshow, that will include over 12,000 trade professionals and 800 exhibitors from more than 110 participating countries. FIME is a ONE-STOP shop for ALL aspects of the medical sector, from rubber gloves to robotics. It is a marketplace to source all your medical supplies, devices, and technology. FIME also hosts several multi-disciplinary educational business conferences on the healthcare industry.
