

## Greetings from KPMG Academy

Here at KPMG Jordan, we are passionate about providing our clients, both local and regional, with an efficient and high-quality service. We do this by empowering our employees and reaffirming their role as our most valuable asset. We are always pursuing higher and higher levels of excellence and are quick to embrace the challenges that lie ahead. This is how we are able to always provide indispensable knowledge for the benefit of our clients, our people and region.

We offer our attendance a blend of theoretical exercise and live project-oriented training or field training aided by exposure to the latest technologies, through well-recognized trainers and instructors.
