

STARTUP VILLAGE **X10**

Main technological conference

MAY 30-31 2024

ABOUT THE PROJECT

Startup Village is the largest startup conference in Russia and the CIS countries for tech entrepreneurs.

In the age of modern technologies and rapidly changing business landscape, innovations remain a key factor in scaling companies.

200

Innovation
developments from
different fields

350

speakers from 13
countries

300

investors

In 2024, the Skolkovo Foundation and VEB.RF, with the organizational support of the Synergy Corporation, will scale the project by 10 times, providing more opportunities for startups, sponsors and investors.

ABOUT THE PROJECT

Tech festival in an Open Air format will give an impetus for promotion and development of tech entrepreneurship.

Startup Village X10 is a gathering place for entrepreneurs, investors, major technology corporations, scientists, futurists, and government representatives to discuss technological trends, ideas, and shaping a new generation of entrepreneurs.
