Invitation letter of The 26th China Hi-Tech Fair (CHTF) from Organizing Committee

Office

Attachments:

INVITATION LETTER OF CHTF 2024.pdf

Good Day:

I am Helen Zhang, the Manager of international business department from the 26th China Hi-Tech Fair (CHTF) from Organizing Committee Office.

It is with great honor and respect that we extend our heartfelt invitation to your exhibitor delegate to attend the prestigious 26th China Hi-Tech Fair (CHTF) in the international pavilion again. The Event is scheduled to be held on 14-16 November 2024 in Shenzhen World Exhibition & Convention Center.

China Hi-Tech Fair 2024 will comprehensively display the development trends of Chinese and foreign high-tech by hosting exhibitions, conferences and networking events. It mainly related to 11 high-growth industry sectors, including information technology, new energy vehicles, high-end equipment manufacturing, high-end medical care, bio medicine, specialization, low-altitude economy, semiconductors, new materials, energy conservation and environmental protection, green and low-carbon and other fields. The conference program will cover China Hi-Tech Forum 2024, technical seminars, new product launches, country promotions and B2B meetings.

Please kindly refer to the invitation letter and fill out the application form, so that we could make adequate preparation for you in advance.

Kindly feel free to let me know if you have any questions.

We are looking forward to your presence to China Hi-Tech Fair 2024 in Shenzhen.

Best regards,

Yours sincerely,

China Hi-Tech Fair Organizing Committee Office

Helen Zhang | International Business Department | Manager

China Hi-Tech Fair Organizing Committee Office

Invitation Letter

Dear Sir or Madam,

The China Hi-Tech Fair (CHTF) Organizing Committee Office has the great honor of inviting you to attend the 26th China Hi-Tech Fair. The Event is scheduled to be held on 14-16 November 2024 in Shenzhen World Exhibition & Convention Center.

With an outstanding reputation as China's flagship tech show, China Hi-Tech Fair has played a key role in enhancing technological and economic exchanges and cooperation between China and other countries and established itself as a window for China's drive to open up to the world. Based on its powerful notability and influence, it has received great attention from Chinese governments leaders. With the support from Shenzhen Municipal People's Government, it has been running for 25 years in a row in Shenzhen since 1999, which attracted Microsoft, IBM, Oracle, Siemens, British Telecom, Ericsson, Philips, SAP, Sony, Samsung Well-known enterprises and international organizations from countries and regions to participate.

The 25th China Hi-Tech Fair scored a resounding success and is regarded as the largest edition since 1999. It attracted over 5,000 exhibitors representing more than 100 countries. With a total exhibition area of 500,000 sqm, it recorded over 500,000 onsite attendance. It welcomed nearly 150 delegations and received widespread coverage by 190 media. More than 150 conference sessions were held during exhibition period.

The 26th China Hi-Tech Fair will comprehensively display the development trends of Chinese and foreign high-tech by hosting exhibitions, conferences and networking events. It mainly related to 11 high-growth industry sectors, including information technology, new energy vehicles, high-end equipment manufacturing, high-end medical care, bio-medicine, specialization, low-altitude economy, semiconductors, new materials, energy conservation and environmental protection, green and low-carbon and other fields. The conference program will cover the 26th China Hi-Tech Forum, technical seminars, new product launches, country promotions and B2B meetings.

The 26th China Hi-Tech Fair is a global celebration of tech and will bring together government, research, innovation and private sector leaders on a global scale. We would be honored by your presence.

We look forward to inviting you to attend the 26^{th} China Hi-Tech Fair in Shenzhen, China 1

Best regards,

Yours sincerely

China Hi-Tech Fair Organizing Committee Office
