

WITSA GLOBAL AI SUMMIT

AI Shaping the Digital World

中華民國資訊軟體協會
Information Service Industry Association of R.O.C

**Taiwan is a key
partner in the
AI supply chain.**

Introduction

Global Impact of AI

AI is profoundly transforming industries worldwide, driving rapid growth in the digital economy from smart manufacturing to sustainable development.

Key Partner in the AI Supply Chain

Taiwan, with its strong industrial resources and software innovation, is a key partner in the global AI supply chain. Its expertise in hardware-software integration drives AI advancements and digital transformation worldwide.

First ever WITSA Global AI Summit

As AI reshapes industries and presents new challenges, WITSA is joining forces with global technology leaders to host the 2025 WITSA Global AI Summit. This summit will bring together experts from government, industry, academia, and research sectors to explore AI technology development.

WITSA Global AI Summit
