Stand Construction (Shell Scheme option is available for booth area of up to 18 sqm).

Sponsorship Packages

☐ Main Sponsor ☐ Platinum Sponsor ☐ Gold Sponsor ☐ Silver Sponsor

Stand Specifications Space Only

The Space Only option does not include any stand fittings, flooring or electrics, but enables the exhibitors to create their own individual stand build. Please ensure that your stand design does not include the standard shell scheme as this is provided by our Official Stand Contractors only and plans Containing shell scheme will be rejected.

Exhibitors arranging their own stand fitting are reminded that, where their stand joins another Exhibitor's area, the back of any dividing walls, panels or exhibits must be painted white or masked to present a neat appearance. It is the responsibility of Exhibitors not taking shell stands to make their own arrangements for the provision of suitable floor covering for their area and also to ensure their stand number is clearly displayed.

Since no power supply is included in space only sites, a separate application for the mains supply must be made to the Official Contractors at least two months before the event, using the forms in the Online Exhibitor Manual.

All Space Only Exhibitors must submit dimensional drawings of their proposed stand design to the Organisers for approval no later than the schedule deadline. Please complete and return the corresponding order form from the Online Exhibitor Manual. The Organisers reserve the right to reject a design likely to unreasonably affect nearby Exhibitors' sites in any way.

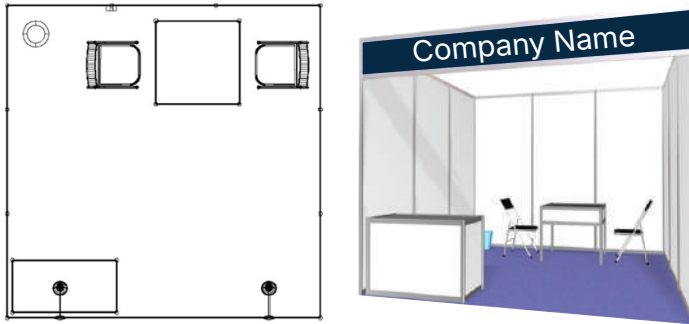

With permission, the total possible height to which you may construct your stand is 4000mm depending on the hall & location within the hall. Applications should be made in writing to the Organisers and be accompanied by a scale drawing. Such applications should be made at least four weeks prior to the Show.

If a space only exhibitor needs to hire furniture, they can only order from their stand builders. Furniture will not be readily available on site.

Exhibitors' stand fitting contractors can commence work on space only stands on the date scheduled in the Deadline Checklist that is part of the Online Exhibitor Manual.

Application & Contract

D. BUILT-UP / SHELL SCHEME BOOTH

Shell Scheme Stand

The Basic Shell Scheme type is a shell scheme stand solution at 3.00m height, constructed with an aluminium framed OCTANORM system and white wall panels (Panel = 95 cm x 240 cm) Carpet, Ceiling beams for spots and Fascia board with company name are included.

E. PAYMENT TERMS AND CONDITIONS

A payment of 100% will be due within 30 days of receipt of your official invoice. Failure to pay the payment by the deadline may mean your stand will be released and/or loss of any applicable discounts.

The exhibitor will not have access to exhibition grounds without full payment on the organizer's account. Cancellations within the 4 months period will be charged a 100% cancellation fee. Prior to the 4 months period, a 50% cancellation fee will be applied. All payments mentioned above are due within 30 days of receipt of the corresponding invoice.

Payments receipts should be shared to 1stArabia.
All the Bank charges (Local & International) to be borne by Exhibitor.

Each exhibitor shall accept the allocated space/stand within their respective sector and industry.

The Organizer will arrange visa to Jordan (if needed) subject to Jordan Authorities approval for the confirmed exhibitors only. If a visa is not granted and he subsequently wishes to withdraw from the show the same cancellation charges apply as above mentioned.

In certain countries travel warnings are issued by the government for some countries in the Middle East. If such a warning is issued for Jordan and subsequently the exhibitor wishes to withdraw from the show, the same cancellation charges apply as mentioned above. Please make sure to keep one copy of the contract for your files.

The form must be stamped and signed by an authorized signatory of the company.
